

Falcon Hacks 2026 — Event Waiver, Release of Liability & Parent/Guardian Consent

Event: Falcon Hacks 2026, a student-run hackathon (the "Event")

Organizer: the Falcon Hacks student team at Foothill High School ("Falcon Hacks")

Date: Saturday, October 10, 2026 · Location: Bay Area, California — venue: _____ (the "Venue")

"Released Parties" means Falcon Hacks and its student organizers, team members, and volunteers; Foothill High School and the Foothill High School District; the Venue and its owners and operators; and the Event's sponsors — together with each of their officers, directors, employees, agents, volunteers, chaperones, contractors, representatives, and affiliates.

By signing below I acknowledge and agree to the following, on behalf of myself and (where the participant is a minor) on behalf of the minor participant and myself as parent or legal guardian:

1. Voluntary participation. Taking part in the Event is entirely voluntary. I am not required to participate and have chosen to do so of my own free will, free from pressure by any person or organization.
2. Assumption of risk. I understand the Event and its activities — including building and programming projects, workshops and presentations, eating provided food and drink, using the Venue's facilities, and travel to and from the Event — carry inherent risks, which may include physical, psychological, emotional, or financial harm and, in rare cases, serious injury. Knowing this, I voluntarily accept and assume all risks of participation, whether or not specifically listed here.
3. Release of liability. To the fullest extent permitted by California law, I release, waive, and discharge the Released Parties from any and all claims, demands, liabilities, damages, costs, or causes of action arising out of or related to participation in the Event — including claims arising from the ordinary negligence of the Released Parties — for any injury, illness, death, or loss of or damage to property suffered during or in connection with the Event. This does not apply to willful misconduct or gross negligence, or to any liability that cannot be released under applicable law.
4. Indemnification. I agree to indemnify, defend, and hold harmless the Released Parties from any claims, losses, damages, or expenses (including reasonable attorneys' fees) brought by me, the participant, or any third party, to the extent arising from my or the participant's acts, omissions, or violation of this agreement or of Event or Venue rules.
5. Minor participants / parent-guardian consent (*initial ONE*)
____ The participant is 18 or older. Date of birth: _____
____ The participant is under 18. I am the parent or legal guardian signing on the participant's behalf. I enter into this agreement both individually and for the minor, release the covered claims to the fullest extent permitted by law, and agree to indemnify the Released Parties against any claim brought by or on behalf of the minor.
6. Personal property. I am solely responsible for my belongings — laptops, phones, tablets, chargers, storage devices, and other equipment. The Released Parties are not responsible for property that is lost, stolen, damaged, or misplaced before, during, or after the Event.
7. Code of conduct. The participant will follow all Event rules, the Event Code of Conduct, applicable law, and the instructions of organizers, chaperones, and Venue staff; will treat others with respect;

and will not harass others, act disruptively, or damage the Venue or others' property. Organizers may remove any participant at any time, without refund, for rule violations or unsafe or harmful conduct.

8. Media release (*check ONE*)

_____ I grant the Released Parties the irrevocable, worldwide right to photograph, film, or record the participant at the Event and to use those images and likenesses — edited as they see fit, in any medium, without compensation — to promote and document Falcon Hacks and its activities.

_____ I do not grant media permission for the participant.

9. Medical & emergency authorization. The Event may serve food and drink, and I assume all risks relating to food, allergies, dietary needs, and any pre-existing or arising medical conditions of the participant. Organizers and the Venue do not provide medical supervision. If I cannot be reached in an emergency, I authorize Event staff or Venue personnel to arrange emergency medical care for the participant, and I accept financial responsibility for resulting costs.

Allergies / conditions / medications to be aware of: _____

10. Venue. The Venue and its owners and operators are not the organizers of the Event and are not responsible for its planning, supervision, or the conduct of participants; their role is limited to providing the physical space. Falcon Hacks is solely responsible for organizing and supervising the Event.

11. General terms. This agreement is governed by the laws of the State of California. If any part is found invalid, the remainder stays in effect. It may be signed electronically and in counterparts (each an original) and is the entire agreement between the parties on this subject, amendable only in writing signed by both.

I have read this agreement (or had it read to me) in a language I understand, received a copy for my records, and I understand and agree to it.
