FOOTHILL HIGH SCHOOL PRESENTS

FALCON HACKS 2026

SPONSORSHIP PROSPECTUS

Saturday, November 21, 2026 · Bay Area, California

Help the next generation take flight.

falconhacks2026.com

◆ THE EVENT

ONE DAY. A HUNDRED POSSIBILITIES.

Falcon Hacks is a student-run hackathon hosted by the Falcon Hacks club at Foothill High School. For one full day, we bring Bay Area student builders together to turn ideas into real projects — to learn, create, compete, and meet the people they'll build the future with. It's completely free, and open to every high schooler and younger, first-timers included.

NOV 21	BAY AREA	FREE	HS & UNDER
Saturday, 2026	Venue to be announced	To attend, for everyone	All students welcome

THE OPPORTUNITY

WHY PARTNER WITH FALCON HACKS

01

Reach the next generation early

Put your brand in front of Bay Area students at the very start of their journey as builders, engineers, and founders.

02

Champion access to STEM

Your support keeps Falcon Hacks free and open to every student — regardless of school, background, or experience.

03

Build real brand affinity

Students, parents, and educators remember the companies that showed up for them. Goodwill that outlasts the event.

04

Grow the ecosystem

Help seed the Bay Area's next wave of creators — and be part of the story from day one of a new flagship event.

THE AUDIENCE

WHO YOU'LL REACH

A room full of Bay Area high-school-and-younger builders — first-timers and seasoned hackers alike — plus the families, teachers, and mentors around them.

Student builders

High schoolers and younger from across the Bay Area.

Every skill level

First-time hackers and experienced competitors side by side.

Families & educators

The parents, teachers, and mentors who show up with them.

Future talent

Tomorrow's engineers, designers, and founders — met early.

Target attendance: **set your goal here → [_____ builders]**

MORE WAYS TO PARTNER

Not every partnership is a check. Support the builders in the way that fits you best:

Feed the builders

Cover meals, snacks, and coffee for the day.

Fund the prizes

Back the winning teams and standout projects.

Swag & materials

Stickers, hardware, and supplies.

Send mentors & judges

Lend your team's expertise for a few hours.

Tools & credits

API keys, software, and cloud credits to build on.

Host the venue

Offer a space for the Bay Area to build in.

YOUR IMPACT

WHERE YOUR SUPPORT GOES

Falcon Hacks is free for every student — sponsorship is what makes that possible. Your contribution goes directly to:

- **Venue & operations** The space, power, and logistics to run the day.
- **Food & drinks** Fuel for every participant, all day long.
- **Prizes & awards** Rewards that make the competition count.
- **Swag & materials** Stickers and the tools to build.
- **Access for all** Keeping the event free, so cost is never a barrier.

LET'S TALK

BUILD THE NEXT GENERATION WITH US.
